Jewett

## Augusta Symphony Orchestra Ensembles

2 pm Sun. Feb. 11 (Snow date Feb. 25)      Jewett Auditorium

The Augusta Symphony Orchestra (ASO) is excited to have two ensembles performing in the Jewett Hall Concert Series, the ***string ensemble to the left*** and the ***wind ensemble on the right***. Many of the musicians involved play in other ensembles, but this will be the first time that we will perform together representing the ASO. Our hope is that this concert will be a launching pad for other performances in the community and for the development of other ensembles within the Symphony.

The ASO is a nonprofit community orchestra providing affordable live classical music in the central Maine region. Although none of the musicians are professionals, we all have a deep love for music and playing our instruments. It is that love that gives us great satisfaction in sharing music with others. We strongly believe that we are ambassadors for the Symphony by bringing live classical music to the community of Augusta.....by Kristi Mann for ASO.

**Tickets: \$10, \$5 student, 12 and under free  
at the door or at our ticket outlets: Pat's Pizza of Augusta.
