Fiddle-icious

2 pm Sunday, October 16, 2016

Cony High School: 60 Pierce Drive, Augusta, ME

We delight in hosting Fiddle-icious at Cony H.S. a second year and anticipate another near-capacity audience. This is the thirteenth year they will entertain audiences with traditional music, creating an atmosphere of infectious energy and joy! Fiddle-icious is a non-profit, all volunteer community organization with members from Kittery to Augusta. This large and vibrant group of Maine musicians plays fiddle, piano, harp, guitar, banjo, accordion, cello, tin whistle, concertina and upright bass. Their tunes are passed on from the Irish, Scottish, Quebecois and Acadian traditions and include reels, jigs, marches, hornpipes, waltzes, step-dancing and singing.

Fiddle-icious is directed by **Don Roy**, a designated Master Fiddler from Gorham who is hailed as a "living cultural treasure" here in Maine. Don and his wife, Cindy, who provides piano accompaniment, grew up in French-Canadian families where music was an integral part of their lives. Don and Cindy's desire to share their heritage with others and foster community through music is a testimony to their commitment to keep the cultural music of Maine and eastern Canada alive.
