In the afternoon, campers will be able to explore the subject of entomology (the scientific study of insects) through the lens of artistic expression. Campers will be able to study living and preserved bugs and create multi-media art pieces using entomology as inspiration. Students will work with Entomology and Art student Abbie Brown, to learn how science and art can work together to give us a better understanding of our world.

WEEK 6: 9AM-12PM TRAVEL THE WORLD CAMP • 12:30PM-3:30PM CAKE BOSS CAMP (7/25-7/29)

Grab your passport and suitcase and get ready to explore the world with Mrs. Stewart. Students will enjoy games, crafts, traditions, and food from around the world. In the afternoon, campers will learn from Grace alumni and baker extraordinaire, Kayli, to bake a new recipe each day.

Please send children with a snack and water bottle. Children should wear comfortable clothes and shoes that they can get wet, dirty, and/or messy. Please send an extra set of clothes in a bag, just in case. If child is staying for a full day, please also pack a lunch each day. Don't forget to apply bug spray and sun screen because we spend a lot of time outside during the day! Drop off and pick up will be at the preschool gate, closest to the front office.
