*One Family:* RESTORED IN CHRIST - EQUIPPED FOR MISSION

OFFICE of CATHOLIC SCHOOLS

April 9, 2020

To the KCSJ Staff, Parents, and Parishioners,

Noting the decision of Governor Parson to close all public and charter schools, the Kansas City-St. Joseph K-12 schools, both parish and diocesan, will also continue distance learning through the end of the 2019-20 school year in an effort to continue to provide for the safety and health of our community. Your principal will provide more detailed information next week. The plans for the Diocesan Early Education Centers will also be shared from each director next week. Please enjoy the blessed Easter Season!
