WHAT'S INCLUDED WITH YOUR PRICEBOOK?

Full access to the PricebookPlus™ web application from most web enabled tablets and/or computers.

The PricebookPlus™ web application will be configured with brand products and systems that you prefer and furnish to Pricebook Digital.

Your setup fee includes our team of dedicated HVAC data professionals working with you to build your Pricebook to your specifications as well as training you on how to best use Pricebook

We offer training as part of the initial setup:

Admin Training - We'll review your retail pricing and show you the back end mechanics of Pricebook so you can quickly adjust your retail pricing and change the various templates quickly and easily

User Training - We'll work with your sales team to show them how to build and adjust proposals, work towards the sales agreement with the homeowner using the "Buy Now" functionality, and how to build a work order to send to your install team

Access to an online video library of short training tutorials as well as ongoing access to training webinars

Full access to our technical support team
