Building Partnerships for Better A Tomorrow

Get Involved

People

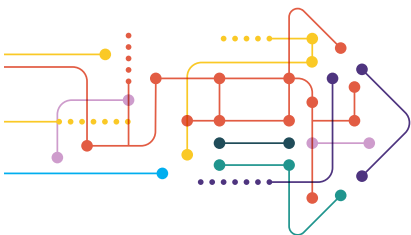

- Serve as a volunteer, mentor, chaperone or guest speaker
- Participate in school or countywide events like health fairs, school festivals, science fairs.
- Provide time for employees to volunteer in their school of choice.
- Conduct school beautification projects.
- Participate in a school advisory council or parent association.
- Provide internships, or job-shadowing opportunities.

In-Kind

- Sponsor field trips for students
- Host a supply drive food, school supplies
- Offer scholarships opportunities for students or teachers
- Provide incentives to students for achievements, good behavior, attendance, etc.

Community Benefits

**Connect
Collaborate
Celebrate**

Connecting the academic and business communities within Seminole County, allows Seminole County Public School to provide students with more opportunities for success!
