

Dear Community Professional,

As a valued member of our local community, your business plays an important role in supporting families and promoting community wellness. This back-to-school season, we're inviting you to be part of a special initiative centered around the **Library's Backpack Exchange**.

The Backpack Exchange provides gently used school supplies to local families through a pay-by-donation or free pricing model. It's designed to ensure every child starts school prepared—while also funding something even more impactful:

free library memberships for families accessing the food bank.

With your help, we can make sure every child has not just a backpack, but access to books, programs, and enrichment opportunities throughout the year.

How You Can Support

We're inviting our community partners to get involved in ways that work for them, including:

- **Placing a donation jar** at your business
- **Donating a portion of sales** from a product, service, or back-to-school special
- **Promoting the campaign** in your store or on social media
- **Getting creative** with a contribution that reflects your brand's personality

This is a meaningful way to support local families while aligning your business with a cause that truly matters to the community.

If you're interested in participating or would like to chat about ideas, we'd love to connect.

Thank you for everything you do for our community.

We hope you'll join us in making this back-to-school season brighter for everyone.

Warmly,

Trina Fleming
Manager,
