

**COLORADO WYOMING
SOCIETY OF AMERICAN FORESTERS
2021 ANNUAL MEETING**

MAY 18 - 20, 2021

COLLABORATING THROUGH PARTNERSHIPS

**SOUTHEAST WYOMING CHAPTER
VIRTUALLY VIA ZOOM**

On behalf the Southeast Wyoming SAF Chapter, we would like to personally welcome you to the virtual 2021 Colorado Wyoming SAF Annual Meeting. We are excited and looking to forward to hosting the meeting. We are thrilled with the presenters and topics that have been lined out for the meeting. We have shortened the meeting to a half day to limit the “zoomies”.

Unfortunately, COVID-19 is still around and not allowing us to host an in person meeting. However, we are excited to host a virtual field trip that will showcase several exciting projects and display how active forest management was proven beneficial during the 2020 Mullen Fire.

Due to the tremendous support and donations during the planning of the 2020 SAF Annual Meeting, we are able to provide the 2021 Colorado Wyoming SAF Annual Meeting for FREE. We are happy to pass our good fortunes on to others from our donors and supporters.

Sincerely,

Southeast Wyoming SAF
