

PARK RIDGE *Garden Club*

35th Annual Park Ridge Garden Club

RESIDENTIAL BEAUTIFICATION AWARDS CONTEST

The City of Park Ridge and the Park Ridge Garden Club are co-sponsoring a Beautification Awards Contest for residents in the City of Park Ridge. The contest recognizes residents of free-standing, single-family homes who have made their homes and landscaping the most attractive in our City.

Up to 5 winners will each receive \$100 from the PRGC and a 1-year honorary membership to the PRGC along with a lawn sign from the City of Park Ridge. ***Winners previous to 2016 are eligible to win again.*** Prizes are awarded by the Mayor at a City Council meeting.

Judging is done of the street view portion of the property by Landscape Design Consultants from the Garden Clubs of Illinois, a non-biased committee. The following standards for evaluating the landscape design will be used.

- Year-round overall appearance – visible address numbers, maintained paved areas, condition of buildings
- Design – color, layout, originality, beauty, special features
- Lawn condition – maintenance, quality of turf or ground covering used as substitute for turf
- Perennials, trees, shrubs – condition of plant material, proportion and scale of plant material to structures
- Flowers and other annual plantings – variety, color, condition

The street view of the property will be photographed as part of the judging process. Winners grant permission to have photographs of their property published in the newspaper or publicly displayed.

Entry deadline is June 30, with photos being taken the week of July 5, 2026.
