All are welcome.

Springwood School welcomes students from around the world to our beautiful campus, which is ideally located in the southeastern United States in the state of Alabama, just one hour away from the Atlanta International Airport.

Springwood School is an accredited, independent day and international boarding school that provides students with a rigorous college and career prep curriculum and an extensive selection of athletic teams, performing and visual arts, community service opportunities and co-curricular activities.

Our vibrant student body is made up of domestic students and international students from 11 different countries this year. Twenty-five percent of our high school students are international.

Students are actively engaged in the learning process from their first day at Springwood School. When students graduate from Springwood, they go on to a wide variety of selective colleges. More importantly, they are thoroughly prepared when they get there. Springwood alumni consistently confirm that the skills they developed at Springwood School set them up for success at the university level and beyond.
