September 3, 2020

To The Island Chapel Membership,

It is with great excitement that we would like to share with all of you the results of our Special Meeting for the Nomination of Dr. Will McRaney for the position of Senior Pastor of The Island Chapel, held this past August 30<sup>th</sup>, 2020.

The motion of the nomination was presented to the church and seconded by Bob Harding and Jolene Bivens. It passed by a vast majority of 90.5% in favor. An offer letter will be issued to Dr. Will McRaney followed by all the customary human resources diligences.

The Administrative Committee is grateful for the trust that our membership placed in us during this very important journey of our church history.

We are moving forward with the confidence that our Lord has great plans for our Church and our leadership as we continue to move our mission and evangelism forward.

Please continue to keep this transition in prayer.

Sincerely,

The Island Chapel Administrative Committee
