## Audition Information

An audition for admission to the camp **IS NOT** required. However, to be able to determine your playing level and to place you into the appropriate ensemble, we ask you to submit a 2-4 minute video recording of your playing, demonstrating your best technical and musical abilities, to [info@pyco.org](mailto:info@pyco.org). A YouTube video recording is preferred.

Consult with your teacher for the best music selection for your recording. Alternatively, you can contact PYCO to schedule a placement audition. Students who are members of the PYCO Orchestra or any PYCO Ensemble do not need to submit a recording or request a placement audition.

## Ensemble Placement

- Student playing levels and ensemble placement will be determined at the discretion of the ensemble directors.
- All ensembles will perform in a concert at the end of the week, open to family, friends, and the community.
