

V.C.S. Extended Care Afterschool Enrichment Program

V.C.S. Afterschool Homework Assistance/ Tutorial Program

Monthly Classes

The purpose of the VCES After School Homework and Tutorial Program is to help students with their daily homework in all subjects. The students will be given the time, attention, and the help that they need to nurture their unique style and accomplish their learning goals for the day. The program will be in a group setting; answering general questions and not necessarily one on one tutoring. If individual needs arise, Mrs. G will do her best to support the student by giving some one on one instruction.

Each afternoon, they'll begin tackling the day's homework assignments and if there is extra time, they will wrap up with reading time, writing prompts, and drill games.

This program is offered on Tuesday, Wednesday, and Thursday, for grades third thru sixth. Mrs. G will work closely to ensure that materials and methods are up- to- date and effective. Communication with parents regarding their child's homework and academic progress is recommended and encouraged.

Cost: \$180.00 per month and will be billed to your Smart tuition account. Your child will be picked up from Extended Care and returned at the end of class each day, if not picked up in the classroom which is EL 27. Last day for signing up for the month of September will be Tuesday, September 3, 2019. If you choose to sign up after that you must do so by stopping in the Extended Care Office to pick up a form.

Time: 3:45 – 4:45 P.M.- Tuesday, Wednesday, and Thursday only. The class will start on Tuesday, September 3, 2019 and will go thru May 2020. By signing up for this class you are committing to a monthly payment of \$180.00 per month to be billed to your Smart Tuition account. If for any reason you choose to stop sending your student, you must sign a File Maintenance Form which you can get from the Extended Care Office. You will not be charged for Extended Care while your student attends this class. Only if your child is returned to Extended Care will your child be clocked in. If you have any questions, please do not hesitate to call Mrs. Hill, our Extended Care Director. She can be reached at her direct line at 707-724-6281. Please return signed forms to the Elementary or Extended Care Office.

Minimum size per class is 10, Maximum size is 20.
