# ELEMENTARY ENRICHMENT CLASSES

## SESSION FOUR

### MARCH 17 - MAY 5, 2025

**REGISTRATION CLOSES:  
FRIDAY, MARCH 14, 2025**

The after-school enrichment program is designed to provide a safe and supportive environment for children to engage in fun, stimulating, and educational activities. First come, first serve for registration. Class sizes are limited. All supplies needed are included in the cost of the class.

# ELEMENTARY ENRICHMENT CLASSES

**SESSION FOUR: MARCH 17 - MAY 5, 2025**  
**REGISTRATION CLOSES: MARCH 14, 2025**

## Things to Know:

- All extended care students enrolled in an enrichment class will be picked up from and returned to extended care.
- While in an enrichment class, drop-in students will not be billed for extended care during the scheduled enrichment class time.
- Students who are not picked up by their parents will be returned and clocked back into extended care until picked up.
- If your student is absent, there are no make-up classes.
- If a class is canceled by VCS, we will offer a make-up class at a later date.
- It is recommended that all students bring a snack with them.
- The snack bar will NOT be available before the start of their enrichment class.
- **No classes during Easter Break: April 14 - 21, 2025**

## Billing Information:

- By Completing the Google Form, you are registering your child in an enrichment class and will be billed to your BLACK BAUD TUITION account.
- Students not picked up when class is over will be returned to extended care and will be billed accordingly.

**K - 5TH GRADE**  
**WEDNESDAYS**  
**3:00 - 4:00PM**  
**GYM KITCHEN**

**NEW  
Time**

## CULINARY WONDERS

Welcome to Culinary Wonders, where your child will embark on a culinary adventure, mastering the art of food preparation, baking, and cooking delicious creations! This immersive class not only hones their culinary skills but also fosters the development of fine and large motor skills, instills kitchen safety practices, cultivates a sense of responsibility and cleanliness, and boosts their culinary confidence. By the end of this course, your young chefs will be inspired to take on the role of a chef in the comfort of their own home!

\*We recommend all students bring a snack with them.

**COST: \$365**  
**K - 5TH GRADE**  
**MONDAYS**  
**3:45 - 4:45PM**  
**MAKERSPACE**

## SPANISH CLUB

Students will learn Spanish alphabet sounds, colors, numbers, days of the week, and more. We'll use Bible stories, coloring pages, and interactive activities to reinforce their new language skills.

\*We recommend all students bring a snack with them.

**COST: \$365.00**  
**K - 5TH**  
**TUES. & THURS.**  
**3:45 P.M - 4:45PM**  
**EL- 18**

## HOMework CLASS

We are excited to offer two hours per week of homework help from VCES third-grade teacher Miss Perez. This class is not tutoring. This class is a designated homework time to help students in 2nd to 5th Grade. The students will have a qualified teacher to help them understand, stay focused, and finish homework before going home.

The class is limited to 15 students.

\*We recommend all students bring a snack with them.

**COST: \$365**  
**K - 5TH GRADE**  
**FRIDAYS**  
**3:45 - 4:45PM**  
**MAKERSPACE**

## LEGO ROBOTICS

Did you know your child could be learning Engineering, Architecture, and complex Math with Legos? In this class students will learn problem solving, critical thinking skills, leadership and team building! This is an environment ripe for creativity of expression and an appreciation for how things work.

\*We recommend all students bring a snack with them.

**COST: \$365**  
**K - 5TH GRADE**  
**TUESDAYS**  
**3:45 - 4:45PM**

**3:45 - 4:45PM**  
**ELEM GARDEN AREA**  
**(NEXT TO SWINGS)**

## GARDENING CLASS

**NEW Class**

For students who love getting their hands in soil! This class will teach students how to care for plants in our school garden, explore the basics of plant life, and even propagate their own indoor plants. A great way to nurture a love for nature and responsibility!

\*We recommend all students bring a snack with them

**COST: \$365**  
**K - 5TH GRADE**  
**TUESDAYS**  
**3:45 - 4:45PM**  
**EL-20**

## MAD SCIENCE

**NEW Class**

Calling all young Scientists! Each week, students will dive into exciting experiments and hands-on activities that will bring science to life. From chemistry to physics, this class is designed to spark curiosity, creativity, and a love for discovery!

\*We recommend all students bring a snack with them.
