ABEX INSURANCE

Broker Statements

Please note that the payments are due on the last business day of the month in which the statement is received, and the payment is **by our statement**.

Please **send your payments 5 business days before month end** and include payment advice so that they can be posted to your account on time. This way the statements for the following month won't contain items which you have already paid for.

For **Open Market** policies, please pay by the date indicated on the invoice.

We are urging our brokers to use **InsurePay** (formerly ClearPay) or **EFT** for digital payments.

To request our EFT info, please email us.

If your email address to which we send broker statements or policy documents has changed or if your brokerage was involved in a sale, merger or acquisition, please make sure to email us.

Thank you for your understanding!

Have You Signed Up for InsurePay Yet?

InsurePay delivers an integrated platform for brokers, streamlining secure premium collections, payables, and seamless reconciliation—all in one place.
