Dear brothers and sisters for whom our Savior gave his life,

I have decided to return the call to serve as your pastor at Faith Evangelical Lutheran Church. During this time of great challenge and opportunity, I am confident that the Lord will bless Pastor Ungemach and your entire church family with what you need to continue his kingdom work in Antioch. I pray that the Lord of the Church will soon call and lead the next presiding pastor into your midst to assist with the important work he has in store for you. I would have counted it a privilege to fulfill that role. At the same time, there were issues here in our congregation at the present time that pulled me very strongly. I am thankful to have had the opportunity to consider your call. I wish you all God's blessings as you wait for God's timing and trust in his mercy and peace. This same mercy and peace will sustain us all in Christ during these times of change and challenge!

Your Brother in Christ,

Pastor John Stelter
