To the members of Faith,

I thank the entire Faith family for the years of prayers and support you have given to my family and me over the past thirty years of my public ministry. Much good work of Gospel spreading has been accomplished during these decades, and I count it an immeasurable blessing to have been allowed to share in His life saving work.

Over the past few weeks, but more accurately over the past many years, I have given much thought and prayers as to how I would prefer to end my ministry at Faith. I never pictured an "Elijah on his fiery chariot" type of exit. More often, I pictured the "Joseph, Jesus' earthly father" type of exit: one moment he is here and the next he is gone. So although I appreciate the kind thoughts involved in a recognition celebration, I graciously decline the offer and pray that Faith's ministry to the Antioch area and to the world continue in full force and vigor.

For any who may like to offer personal well wishes or words of encouragement, Priscilla and I would enjoy your presence at our home or a note sent via USPS to our address, 11966 182nd Avenue, Bristol, WI 53104. Our door is always open.

God be with all of you,
