

Become a SLHS International Student Host Parent!

Shoreland has a need for more Christian host families for additional international students from Spain. It is preferable that we find housing on the east side of I-94 so that they can ride Racine or Kenosha school buses. This would make it more affordable for them without the cost of Shoreland busing. If you, or someone you know is interested in serving in this way, please contact Julie Uher at uherj@slhs.us for more details.
