Dear saints of Faith Lutheran Church,

On Sunday, August 28 you extended to me a divine call to serve as the presiding pastor of your congregation. With this letter I am acknowledging that I have received your call. Mr. Kohl and Pastor Ungemach have spoken with me and shared three documents with the essential details of the call. I am processing these details to form a full and accurate picture of what you are expecting of your second pastor. As you are already doing, please intercede before our gracious Father in heaven as I consider the call you have extended and the call I am currently serving here in Watertown, Wisconsin. Thank you for your prayers! It is a privilege from Christ to serve him and his bride, the Church. I am reminded again of this privilege as I begin processing the call you have extended to me.

Grace and peace in our loving Lord Jesus!

Pastor Brett Brauer
