    - iii. Staff Appreciation Week (May 6-10)
      - 1. Emmalie Wilcox: Coordinator

**Closing Prayer**

**Next Meeting: September, 2019**

**Notes from February Meeting:**

**Date/Time:**

Tuesdays is First Choice (Monday's were Second Choice), 6:30pm was the most requested time.

**Childcare Availability:**

With the potential for a new night/time, childcare can be explored again when a time has been settled upon.

**Other Notes:**

Discussion was had around potential to change the name and structure of Parent Council to increase participation. Suggestion was made for a Parent Forum. This structure would allow for parent feedback and discussion of current matters. Meetings could occur bi-monthly for open discussion and the opposite month would be followed up with a prepared response from Mark or Annette respectively.

Discussion was had around selection of a parent representative for each classroom to serve as liaison for the class. This parent would be a contact for questions/concerns that could then be shared at the parent council meeting. They could be introduced at the Open House.

Discussion around volunteer opportunities not being fully open to all parents. The designee who heads up the event/project may have lead to comments from the survey about a "clique".

Use of events on Facebook rather than posts, may assist parents remember upcoming council meetings more easily.
