Effective Shared Decision-Making requires that the patient and his doctor be INFORMED in order to make the best decisions. This Conference will help patients become informed so that they can think about their care, discuss their case with their doctors and others, and join in effective informed decision-making.

Ample time will be provided for the attendees to mingle with faculty, ask questions and network with other patients. **Early Registration is encouraged to help with planning**. The cost for the Conference, including continental breakfast, lunch and printed materials for each attendee is: **$35 per person until March 28; $40 per person March 29 until May 15; $50 per person May 16 until June 8**.
