

What's recyclable?

Shadow Rock UCC is having an Electronics Recycling Drive on January 6-8. We partner with AZ StRUT (www.azstrut.org) to collect, repair, and redistribute used electronic equipment.

What they accept:

- All audio or video equipment
- Answering systems
- Cable boxes
- Cables and wires
- Calculators
- Cameras (digital or film)
- CD-ROM drives or Zip drives
- Cell phones
- Circuit boards/semiconductors
- Computers: desktops, laptops, servers, notebooks, & accessories
- Connectors
- Copiers or printers
- DVD players
- Floppy drives
- Hard drives
- Home entertainment systems
- Insulated cable/cable assemblies
- Keyboards
- Mainframe computer equipment
- Medical equipment
- Mice (the electronic kind!)
- Paging systems
- PDA's
- Point of Sale equipment
- Power supplies
- Rack systems
- Security or surveillance systems
- Telecommunication equipment
- Telephones
- Televisions (except for CRT "tube" televisions and monitors)
- Test equipment
- Typewriters
- VCR players
- Video game equipment
