Pastor's Charitable Update

Thank you to all that have been contributing to Pastor's Charitable Fund and the Lenten Offering. Over \$12,000 was distributed in the first 2 months of the year, exhausting the donations collected through the Christmas Eve Offering. We anticipate the needs will be great due to circumstances surrounding Covid-19.

Through May 15th, just over \$20,000 has been distributed so far this year.

Due to the Shadow Rock Campus shut down, the mail is on hold and we are not receiving regular donations.

Thank you to all who have forwarded donations to me. We have moved to two deposits a month.

No matter how you give, thank you for your continued generosity.

I am grateful for you all, and for all you do to support our Shadow Rock Community

Stay Safe and Healthy ~ Heidi
