## Pastor's Charitable Fund Update September 30, 2020

Thank you for your extreme generosity so far this year to the Pastor's Charitable Fund. Traditionally this fund is solely sourced from the Christmas Eve Offerings. We began January 2020 with a fund balance of \$12,000. Through September 30, we have provided over \$34,000 of financial assistance to community members. Your continued gifts throughout the year have provided more funds which has allowed us to continue to support families in need.

Your love and support of our neighbors is truly uplifting.

***I am grateful for you all, and for all you do to support our Shadow Rock Community  
Stay Safe and Healthy ~ Heidi***
