

A Stepping Stone Foundation once again proudly presents the Christmas Angel Program for disadvantaged preschool children and their families. Due to COVID19 restrictions, we can only serve 20 families, so our Angel tags are sure to go quickly. Since the Shadow Rock campus is closed due to COVID19, there will be no tree this year.

You can help Support the Holiday Angel Program for A Stepping Stone Foundation Children and their Families by calling Jeanne Baker at (480) 226-9247 to reserve your holiday tag. Once a tag has been reserved for you, Jeanne will forward the information to you via email. Call early for your tag so we can provide a wonderful holiday season for these families. If unable to reach Jeanne, please leave a message and Jeanne will return the call as soon as possible!

The tags are the children's "wish list" and by taking a tag and buying gifts for the child, you are making a difference in their lives. Every child should receive a toy, a book and an article of clothing. A Stepping Stone Foundation asks that you limit spending to \$50 per child to ensure that all recipients' gifts are of equal value. Sorry, we cannot handle large items such as bicycles. Gifts are due back to A Stepping Stone office no later than noon Thursday 12/10/20. All of the information about wrapping and delivering the presents is on the Angel Tree tag.

The excitement these children will feel as they receive their presents at Christmas will be amazing and donors will rejoice knowing how good it feels to put smiles on the children's faces whom otherwise might not have presents. Most of our families are in great financial need with two to five children. We need many hands to make these families' holiday season special.

We will continue the tradition of accepting cash donations, which we use to buy gifts if a child's tag is not chosen or for grocery certificates for the family to spend at local stores to ease their holiday meal shopping. If you would like to make a cash contribution to our Angel program, please make your check payable to A Stepping Stone Foundation and write Angels in the memo. Mail it to: P.O. Box 87149, Phoenix, AZ 85080, or donate online at www.asteppingstone.org/donate.
