

Heidi's Corner ~ May 10, 2020

Due to the Shadow Rock Campus shut down, the mail is on hold. We are not receiving any donations either through the mail or on Sunday mornings. As you can see from the numbers below, the average offering for Sunday services in February was \$2,700 per Sunday. If you are not currently enrolled as an E-giver, please consider trying it for a season. Contact me for further information. We can tie your donations directly to your account and avoid merchant service credit card fees.

Lenten Offering:

This year the Lenten Offering is directed to the Pastor's Charitable Fund. Traditionally, the Christmas Eve offering has been the sole source of funding for the year. Shadow Rock's Pastor's Charitable Fund is used for individuals and families in times of crisis. We have had many families in crisis already this year and anticipate with the latest developments in Covid-19, the needs will be great. Over \$12,000 has been

distributed in the first 2 months of the year.

I am grateful for you all, and for all you do to support our Shadow Rock Community

Stay Safe and Healthy ~ Heidi
