

Sacred Sites Spring 2023

Shadow Rock UCC Church

Here are the latest information and updates for Spring/Summer 2023. We've made some adjustments to accommodate events connected with Shadow Rock's 50th Anniversary.

Sunday, April 16: Wat Promkunaram

We have been invited to return to the Wat for their spring festival celebration. We'll depart Shadow Rock after worship on April 16, returning around 4:00 pm. It is customary to bring food to share. We invite you to do so and suggest that you bring disposable serving pieces, so you don't have to concern yourself with retrieving your belongings when we return home.

Doug and Emmy Davis are coordinating this event. Call them at 602-867-3281.

Friday, June 9: Stargazing

We will share an evening stargazing to wrap up our Sacred Sites adventures this year. On Friday, June 9, we'll meet at 7:45 in Smith Hall to hear from various participants about their Sacred Sites experiences. We'll learn a bit about stars and constellations and dream about future space exploration. About nine o'clock the sky will be dark enough to be viewed through the telescope. Peter Johnston and Roy Zaborowski will lead us.

Summer: Rock Art Ranch

Early in the summer, Arlene Dominguez and a friend will lead you to Rock Art Ranch outside of Winslow. From Phoenix on a Friday night, the group will travel to Winslow and spend the night in a motel. Bright and early the next morning, we'll go to the site of one of the most extensive collections of Native petroglyphs. This is a rough trail, so wear your walking shoes.

Fall: West Clear Creek Canyon

Our fall trip will be the natural cathedral at West Clear Creek Canyon. The group will experience an outdoor adventure to a gorgeous location just under the Mogollon Rim. This is an overnight camping trip, Friday night to Saturday late afternoon or evening. Gene McWhorter (602-679-9977) is coordinating.
