Pastor's Charitable Fund Update August 6, 2020

Thank you for your extreme generosity so far this year to the Pastor's Charitable Fund.

Traditionally this fund is solely sourced from the Christmas Eve Offerings.

We began January 2020 with a fund balance of \$12,000. Through July 31, we

have provided over \$28,000 of financial assistance to community members.

This leaves funds currently available of just over \$5,000.

Your love and support of our neighbors is truly uplifting.
