

Lent 2022

Lent at Shadow Rock this year will look a bit different. In the weeks of preparation leading up to Easter, we'll be looking at the ways that faith communities hurt and wound. As we sharpen our awareness of the damage that churches can do, and recognize the ways that we are complicit, we move toward Easter—and toward healing the bonds between us.

We begin at Ash Wednesday with a quiet and simple service on the Sanctuary Vista (the outdoor area just outside the upper level elevator).
