I would like to share with you a note received with a contribution recently:

Heidi - We count our blessings. We have a home, food, transportation, income and our health. So, what to do with our stimulus money? We have decided to give it all to Pastor's Charitable Fund to give a hand up to those who need help right now. ~ Anonymous Donor

Thank you to each and every one of you for your extreme generosity in 2020 to the Pastor's Charitable Fund. Through December 31, Shadow Rock provided over \$42,500 of financial support within our community. Over \$35,000 was issued to cover medical bills, rent, insurance and food assistance to community members with an additional \$8,500 to African Refugees here in Arizona to help feed their families during Covid19.

*I am grateful for you all, and for all you do to support our Shadow Rock Family
Hoping you continue to stay safe and well !!
~ Heidi*
