

Beginning in March, Christ Church UCC has an opening for a church musician to play for traditional worship at 9:30 a.m. every Sunday except the third Sunday each month. The third Sunday is a Praise service and can be taken off. Christ Church is a great worship community in the Bay View neighborhood of Milwaukee (www.uccmke.org). The congregation appreciates a blend of different styles and choices of music. The church has an organ and electric keyboard, but the candidate for this job need not be an organist or pianist. No matter what the musician plays, the ideal candidate will work with the pastor to choose songs for each service and will provide a meaningful worship experience for the congregation. The musician must be able to accompany two Thursday-evening choir rehearsals, as well as Sunday-morning practices with the choir. We currently offer a per diem fee schedule. The pay rate is \$120/service, \$48/mid-week choir rehearsals, \$22/Sunday-morning choir practices, \$60/half-hour Lenten services, and \$100/wedding. Pay is negotiable. There may be additional rehearsals and services at Christmas and Holy Week. Interested candidates should contact Pastor Dan Stark or submit a resume with references to pastor@uccmke.org
