

Sponsorship Opportunities

The Highland Park Chamber of Commerce is proud to host a vibrant, community-wide discussion with our elementary/middle, high school, and special education school district superintendents:

- Dr. Michael Lubelfeld, North Shore School District 112
- Dr. Kurt A. Schneider, TrueNorth Educational Cooperative 804
- Dr. Bruce Law, Township High School District 113

This program has the potential to reach a targeted audience of hundreds of engaged businesspeople, families, and community members, through an in-person event, and video stream recording hosted online.

Aligning your business brand with this initiative shows your engagement in this vital community issue, keeps our businesses and residents informed and proactive and supports a thriving business community.
