We appreciate your continued financial support while we are being the church in this different way. Checks can still be mailed to the church, and are regularly counted and deposited. You can also set up payments through your bank (most offer this for free). We know that these are difficult times for some, and we understand if you are unable to support the church financially. Please contact Amma Diane if you need help connecting to assistance or resources.

**Our special offering for the month of August supports the Rector's discretionary fund, supporting those in need in our community—please label gifts accordingly.**

### Becoming Beloved Community series through 8/16

The Beloved Community is the body within which all people can grow to love God and love the image of God that we find in our neighbors, in ourselves, and in creation. It provides a positive, theologically, and biblically based ideal that orients the work of racial healing, reconciliation, and justice. It is the end toward which the Jesus Movement points. The Episcopal Church's Becoming Beloved Community vision frames a path for Episcopalians to address racial injustice and grow as a community of reconcilers, justice-makers, and healers who share a passion for the dream of God. Because this is the work of spiritual formation, and not simply completing a training or implementing a set of programs, individuals and congregations are encouraged to embrace the journey ahead as a long-term commitment. **St James Episcopal Church will begin our Becoming Beloved Community journey with a six-week Worship series at 10AM on Sundays July 12 through August 16.** As the summer progresses, we'll have other opportunities to engage more deeply together.

### Vestry Notes—updated 7/31

- ◆ Amma Diane has returned from vacation.
- ◆ This year's Diocesan Convention will not be in-person, but will be virtual due to the pandemic. Information will begin to become available in August for delegates and Amma Diane will be contacting each delegate.
- ◆ **Manitowoc County Covid-19 total positive cases was at 294 as of July 31, up from 186 on July 17. Current active cases increased to 194.** Wisconsin cases continues to increase significantly. The Manitowoc County Health Department recommends limiting non-essential travel, including within the state. We can all do our part to continue to help limit the spread. Limiting interaction outside your household is still the safest option. When interacting in public settings, maintain physical distance and wear masks. If you have symptoms, get tested.
- ◆ We are continuing the processes of getting assessments and quotes for work on our building to help prevent future leaks. Some building repair and maintenance work will be needed. More information to come.

### Meals on Wheels & Hope House Updates

St James members are scheduled to volunteer at Hope House, and deliver Meals on Wheels during the **week of August 2 – 8**. Both programs have revised their policies with the safety of volunteers in mind as they continue to help those in need while taking necessary precautions..

Hope House volunteers are needed to staff the 5 to 8 pm shift and to provide a meal for the residents on either August 3 or August 6. Everyone at Hope House wears masks in the common areas, and residents do not enter the volunteer office. If you care to provide a meal for the residents it can be dropped off at the door without entering the building. We share our Hope House week with members of Lakeshore United Methodist Church.

Meals on Wheels volunteers deliver meals to six senior living facilities. Volunteers wear masks and do not enter the Senior Center. Meals are delivered at the doorway of each building with limited contact with residents.

Both programs are again permitting volunteers over the age of 65. Please give Anne Schuette a call if you would like to volunteer and represent St James in August. Thanks!

### KAN Cool for School 8/15

KAN Cool for School will look different this year. We will be doing a drive through event where the families will be given gift certificates to purchase school supplies and Soles for Souls will provide gift certificates to purchase shoes. The event will be held at two locations—Two Rivers High School & Roncalli High School—on August 15 from 9AM-12PM. Recipient families will receive an invitation letter. If anyone would like to volunteer, please contact Mary Burckle (920-905-9690). If you would like to make a donation, please make checks payable to KAN Cool for School and mail it to Mary Burckle (2440 Mirro Dr Apt 18, Manitowoc.). We appreciate all of the support the members of St James have always shown to KAN.

### When Volunteering in Our Community

One way we “Share God’s Love through Action” is by volunteering our time to support local non-profit organizations. When volunteering as a representative of St James, face masks must be worn, physical distancing must be maintained, and additional directions from the volunteer organization should be followed. **If you are in one or more high risk categories, we urge you to take extra care for your health when volunteering or in any enclosed environment with people you don’t live with.** If you have questions, please contact Amma Diane at 920-860-5152.
