Weekly Schedule

UPDATED! Bible Study—Sundays at 8:45AM

We're reading and discussing the book of 1 Corinthians. Use any bible translation(s) you like; no other book/guide needed. We'll read and discuss one chapter each week, with the following questions in mind: 1) What stands out to you in the passage we are studying?; 2) What do you have a question about or want to know more about?; 3) What can you apply from the passage to your daily faith journey?; and 4) If you were to talk to a friend about this passage what would you talk about?

NEW! Share your Cross/Holy Week/Easter photos

We need your photo contributions for slide shows in our Holy Week/Easter services.

- ◆ Please send photos of any crosses. These can be in homes, churches, other locations, indoor or outdoor, art, décor, jewelry, or anything else with crosses.
- ◆ Please send photos you have of Holy Week and Easter themes. These can be photos of worship, fellowship, and other church events, as well as photos of family/friend gatherings, decorations, celebrations, etc.

Please share your photos to be included in the videos for our Holy Week/Easter Worship services. Send in as many as you like. As with photo requests for our previous Worship services, we do not include names or other identifying information for privacy. Please send your photos to Tony Karl (email them to info@mysjec.com, text them to him, or drop them off at his house and he can scan them for you). Please send your photos as soon as possible. Thanks!

Would you like DVDs of our Worship services?

We will soon begin producing DVDs of our Sunday and Holy Day Worship services. If you would like to receive DVDs so that you can watch services that way, please leave a message for Amma Diane (920-860-5152) and we'll gladly add you to the list. If you need a DVD player, let Amma Diane know that, as well, and we can provide one of those for you.

NEW! Clarence Carbon's carvings

Amma Diane shares this photo she took of the wood carvings of Clarence Carbon when they were still in their home. She says, "If anyone wants a reminder of Clarence and his skill with wood there are a limited number of his carvings still available to purchase at Ditto located at 719 Franklin St. Manitowoc across from the library."

UPDATED! Scrip upcoming order dates 3/14, 4/11

Scrip can still be purchased while we are apart by calling Tammy McVeigh to place your order and mailing a check to St James. Your scrip will be delivered to you when it comes. Scrip is a way for you to purchase store gift cards for your own use or to give as gifts. The card user gets full value for the amount and St James receives a percent (varies with retailer). The money St James receives goes into our Outreach Fund. Contact Amma Diane or Tammy if you need an order form.

Vestry Notes updated 2/19

- ◆ Deliveries were made to homes of our congregation between 2/11—2/16. We had a delivery mix-up resulting in some homes receiving multiple deliveries and some not receiving any, and we apologize for that. **We believe we've tracked down most of the errors, but if you didn't receive one of these deliveries, please contact Junior Warden Chris Eggert-Rosenthal (334-546-4282) or Amma Diane (920-860-5152).** These deliveries contain a letter from the Vestry, Annual Reports, updated directories, and more.
- ◆ Bishop Matt Gunter and his wife, Leslie, are on a six-week sabbatical starting 2/15. We pray this is a time of refreshment and renewal for both of their ministries. Bishop Matt recently began serving as Bishop Provisional for the Diocese of Eau Claire and Visiting Bishop for the Diocese of Milwaukee.

Vestry Back-to-Building update

The Vestry continues to pray for and plan for our eventual return to safer in-person gathering. We're grateful to hear some of you (and some of us) have started to receive vaccines. We encourage everybody to get vaccinated when available, and to continue to mask and practice social distancing—working together as the Body of Christ to help reduce the spread more and more.

COVID cases, hospitalizations, and deaths continue the downward decline of the past month, but still remain higher than the second peak we had over the summer. New variants in our state are posing additional risks, so we must all remain vigilant and care for each other.

The Vestry regularly reviews guidance from our Diocese and the Wisconsin Council of Churches as well as data from local and state health officials.

As we look toward gathering we are looking at several benchmarks, including:

- much lower local case burden
- higher local vaccination rate
- Amma Diane completing a vaccination regimen
- the ability to follow best practice guidelines when we're in our building

Limitations in our building design mean we are unable to follow several safety guidelines (such as proper air exchange and flow of people) until we have nicer weather. Realistically, we're looking at a time when all the snow is gone and it's warm enough to have windows and doors open when we're in the building. This potentially means gathering again starting in later Spring (with everything open and coats on, if needed).

We're grateful for your participation and support in this unique and challenging period in the life of our church and community. We miss you and we love you, our sisters and brothers! Blessings to you this Lent.
