Make a Joyful Noise!

Here are some of the ways you can be a part of the music ministry at St James Episcopal Church.

Special Music: Are you an instrumentalist or singer who'd like to share music? Voice, piano, guitar, organ, violin, banjo, trumpet, flute, bagpipes, accordion, or any other instrument... we invite you to share your gifts! You can offer a special piece for a one-time occasion, or music on an occasional or regular basis.

Choir: Do you like to sing? Our Choir's primary mission is to help lead music at 10AM Worship on Sundays. We also occasionally offer special music/anthems. We're a flexible, casual, welcoming group that enjoys sharing our love of God through music. The Choir will be regrouping in the near future and is seeking new members (we've shrunk in the past few years). Our schedule and format will be planned to fit participant schedules.

Accompanists: Do you play piano, organ, guitar, or another instrument and have an interest in accompanying music on an occasional or regular basis? We invite you to enhance our worship by accompanying one or more songs, or even a full service. Accompanists are welcome for a one-time occasion or to provide music on a more regular basis.

For more info: All are welcome to participate in the music ministry at St James Episcopal Church... there are opportunities for any skill level or experience. If you are interested in any of these opportunities or would like more information, please contact Music/Worship Coordinator Tony Karl.

Vestry Notes

- ◆ **UPDATED!** Unable to identify a volunteer from our congregation to replace retiring Treasurer, Peggy Turnbull, we will outsource most of the treasurer tasks, which will cost approximately \$4000+ per year. **The Vestry has elected Linda Molitor (wife of Jerry Molitor) to serve as our Treasurer in a paid capacity and will also be contracting with Burbey CPA for payroll and other financial needs.**
- ◆ **NEW!** Father Jerry Molitor's time with St James has drawn to a close. Jerry began ministering with us 13 months ago as part of the path to ordination as a priest. Jerry is serving as a supply priest in various locations and has begun interviews. Blessings, Jerry!
- ◆ **NEW!** On 9/39, leaders from the Episcopal dioceses of Milwaukee, Fond du Lac, and Eau Claire have unanimously agreed to pursue reunion. This idea has been talked about since the 1970's. It was agreed that now is the time to explore the option. A reunion would incorporate the three dioceses back to the one from which they were formed. Other paths could be followed, but pursuing reunion first provides clarity of purpose. It is understood doing so now is following opportunity rather than responding to necessity.
- ◆ Our Media Team (Glenn Davidowich, Pat Hanson, Tony Karl, Father Jerry, and Amma Diane) recently gathered for the final date of pre-recording our online worship services. Tony will be editing and uploading the videos through October 17 (as we've been doing since last March). We've ordered most of the hardware we'll need to transition to live-streaming our worship services. A special thank you to Pat Hanson for researching and installing. Our goal is to begin live-streaming worship services on October 24. Videos will still be available to view at a later time/day for those who can't watch live.
- ◆ New equipment purchased through our Technology Fund will also include a monitor in the Sanctuary that we can use for special videos, slide shows, etc.
- ◆ Thank you to Murray Sim, Dave Haefke, Mark Hunner, and Steve Thuss for their work on various building and grounds projects.
- ◆ We will be repaying the Diocese of Fond du Lac for our \$84,000 loan (0% interest for one year), used to pay for our 2020 roof replacement. We will make this repayment using some of our quasi-endowment funds in the Diocesan Common Trust. If you'd like to make a special contribution toward this project, please label your donation "roof replacement".
- ◆ The Executive Council of the Diocese of Fond du Lac determined in a unanimous vote that the 2021 Diocesan Convention will be held via Zoom on Saturday, October 30, from 9AM to Noon; the previous plan had been to gather in-person in Fond du Lac. The Diocesan Office is working on details. Amma Diane will make arrangements for St James participants (delegated and others who are interested) to gather at the church.

A Prayer for Entering the World Again

If you're uncertain how to move forward
if you're unsure of how to be and who to see
if you're weary of the long days of isolation
if you're tired and worn out
if you're eager for hugs and handshakes
if you're excited to explore and travel —
this prayer is for you.

May you be gentle with yourself
tread lightly if needed
trust the small movements taken in hope
and lean into the One who walks with you.

May you be gentle with others
take time to listen
breathe deeply
take a posture of compassion
and lean into the One who walks with you.

May you be gentle with the world
celebrate the consistency in the changing of seasons
listen for the sounds of spring's renewal
splash in a river's water
and lean into the One who walks with you.

As you move forward,
may the God of infinite love
and boundless grace
bless you and keep you
now and forever.

MLK Freedom School Fall 2021—series of panel events in-person and online

The MLK Freedom School is in honor of Rev Dr Martin Luther King Jr and Mrs Coretta Scott King and their civil and human rights legacy. Events will detail the central focuses of the Kings's lives and how their contributions inspire poor and working people today to build a better world. There'll be featured speakers from Wisconsin and across North America and opportunities to become engaged in today's civil and human rights activities. All events will have cultural components. **The events will be in-person and Zoom.** See the event page on Facebook for more information:

OCTOBER 14, 2021: STRIKE A WOMAN? STRIKE A ROCK! THE ROLE OF WOMEN IN CIVIL & HUMAN RIGHTS MOVEMENTS

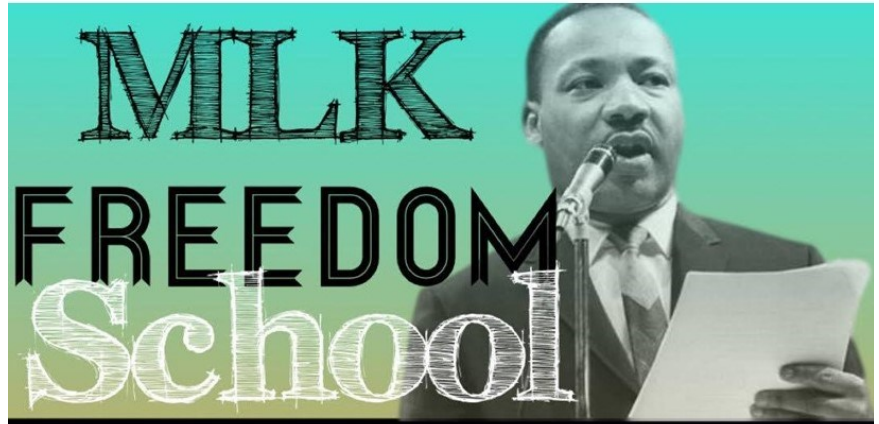

Women have always been central to any activity focused on civil and human rights. The title of this event is inspired by a South African women's slogan that was especially taken up during the fight against apartheid which was defeated by a united worldwide people's movement largely led by women and girls. Mrs. Coretta Scott King and a diverse array of other women's contributions will be highlighted. Women on the front lines of the civil and human rights movements of today will be leading this event.

NOVEMBER 18, 2021: PEOPLE'S NEEDS NOT PRISONS AND WARS

Combined, the amount of tax dollars spent on prisons, bank bailouts and wars by the U.S., state and local governmental entities is hundreds of billions of dollars. Dr. King in his April 4, 1967 "Beyond Vietnam" speech, said: "A nation that continues year after year to spend more money on military defense than on programs of social uplift, is approaching spiritual death." This event will highlight the King's steadfast opposition to wars that only benefit the rich. Peace and anti-war activists from Wisconsin and beyond will raise up their activities focused on ending poverty, racism and war.

DECEMBER 9, 2021: VOTING IS A HUMAN RIGHT! STOP RACIST ATTACKS!

The basic democratic right to vote is under increasing Jim Crow style attacks in Wisconsin and across the United States. These attacks include ever more restrictive voting laws and gerrymandering. The King's work to ensure voting rights included numerous protests, marches and the 1965 Voting Rights Act that is always under threat of being overturned. Voting rights activists will highlight the King's work and engage participants in defending our democratic right to vote today.
