Photos needed: Fathers/Father Figures

We need your photo contributions for a slide shows in our June 20 Worship service. Please send photos of your grandfathers, fathers, sons, spouses, or yourself... other relatives, friends, and people from our church... or anybody else who has been like a father, spiritual or otherwise, in the lives of you or your loved ones. We'll also reuse photos from last year unless we hear otherwise from you. **Send photos by June 17.**

Send in as many photos as you like. As with photo requests for our previous services, we do not include names or other identifying information for privacy. Please send your photos to Tony Karl (email them to info@mysjec.com, text them to him, or drop them off at his house and he can scan them for you). Thanks!

Would you like DVDs of our Worship services?

We will soon begin producing DVDs of our Sunday and Holy Day Worship services. If you would like to receive DVDs so that you can watch services that way, please leave a message for Amma Diane (920-860-5152) and we'll gladly add you to the list. If you need a DVD player, let Amma Diane know that, as well, and we can provide one of those for you.

Hunner Preserve

Mark Hunner shares the following story:

"Over 30 years ago Sally and I bought 55 acres of property near Tisch Mills, comprised of 50% pine and cedar plantation as well as 50% native conifer and hardwood forest. The land is bisected by Tisch Creek, a beautiful spring-fed stream bordered by native ferns. Over the years I worked at thinning the plantation areas to allow Nature to reclaim what was previously cropland.

"In order to preserve in perpetuity this beautiful stream and woodland, in late 2020 our family decided to donate 40 acres of property to Glacial Lakes Conservancy. The public can now walk, ski and enjoy this beloved land and water, all part of God's Creation."

Mark wants to let the people from St James know that if any individuals or small groups would like to visit the property and see the land, Mark would be more than happy to give people a tour/walk of the property. Contact Mark and Sally (920-755-2213) if you'd like to arrange a time and date.

Glacial Lakes Conservancy, Inc (glaciallakes.org) is a private, non-profit land conservation organization. The original founders saw that during the 1990's, approximately 8,000 rural acres were subdivided for residential purposes in the unincorporated areas of Sheboygan County alone, prompting a deep concern for the future of our region's lands and waters.

This realization prompted the founding of the Sheboygan Area Land Conservancy in 1996. Originally, an all-volunteer organization with a goal of serving to protect and preserve natural areas and farmland within the Sheboygan Country area in Wisconsin.

In January 2005, Glacial Lakes Conservancy (renamed in 2004), expanded its coverage area northward to Kewaunee County. This was accomplished by merging with The Rural Land Legacy Committee of Kewaunee County, an active local group dedicated to preserving farmland, natural areas, and undeveloped Lake Michigan shoreline.

Today, the land trust offers land conservation options, organizational support, and technical guidance to landowners and organizations in a five-county region, Sheboygan, Manitowoc, Kewaunee, Calumet and Fond du Lac. GLC owns five properties: William F. Christel Woods and Wetlands Preserve, Grasshopper Hill Preserve, Charles & Winifred Spring West Twin River Preserve, Willow Creek Preserve, the Hunner Preserve, and also holds 26 conservation easements.
