I have over 8 years of experience underwriting E&O and Cyber business. I joined Ace as an E&O / Cyber underwriter in 2011 and have been with the group since that time. Over the years, I have progressed from Underwriting to Management within the Mid-Atlantic territory. I regularly perform client and agent/broker education sessions focused on the cyber industry and Chubb products / claims. Further, I completed my Cyber COPE Insurance Certification (CCIC) Program in February 2019 ([additional information available here](#)).
