

From the daily preparation of our fresh fruits and vegetables to our scratch made pizza it takes a small army to feed our CUSD students. Back to school night at the Calexico High School main campus was a great success. We set up the serving line with our salad and topping bar just like we do each day. We wanted parents to experience the lunch line set up as their students see it. They were invited to sample tamales, pupusas, carnitas burritos, tuna subs, chicken Caesar salad, southwest salads, teriyaki chicken wrap, crunchy chicken wrap, turkey ham subs, and sloppy joe burgers. We also featured breakfast offerings from D'Stella Reposteria Saludable. We appreciate that you stopped by!

Preparations for Back to School Night

SURVEY RESULTS ARE IN!

Calexico High School Students were tasked with completing the Food Service Survey during their English courses. We are sharing results on questions asked about the quality of the food, temperature of the food served, variety of options available, and the amount of time spent waiting in line. This and all other data collected will be used to improve our menu offerings. Thank you for sharing!

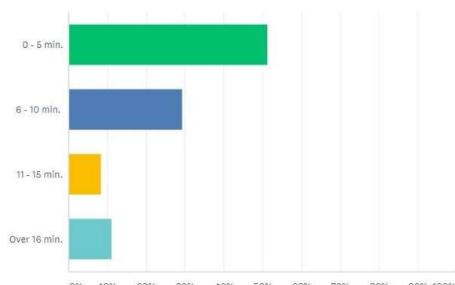

In general, how would you rate the variety of options offered during lunch? En general, como calificarías la variedad de opciones que se ofrecen durante el almuerzo?

Answered: 1,243 Skipped: 142

What was your wait time in line today? Que tanto esperaste hoy en la linea?

Answered: 1,237 Skipped: 148
