

### **The 2023 Anna Willis Memorial Scholarship Award**

This scholarship was created in honor of our founding leader, Anna Willis. A pioneer of education and family, she along with Claire Hamilton started The Upper Room in 1986. 37 years later The Upper Room, Family Resource Center continues to support families and children in their well being. In 2016, when Anna passed, the Board of Directors felt that a scholarship in her name would carry her legacy, and keep Anna connected to the everyday work of our agency.

This scholarship is being offered to a student who exemplifies character. The student must posses:

- leadership roles
- volunteerism
- academic strengths

The \$500.00 scholarship will be available to a resident of NH where Anna lived and started the work of The Upper Room.

#### **To Apply:**

Complete application below using space to explain how volunteering benefits both the people who volunteer and the communities they serve in. Use examples from your own experience if possible.

Applications will be accepted through April 14, 2023, reviewed by our scholarship committee, and notification to selected applicant will take place by May 13, 2023 and presentation of award set up with individual receiving the award.
