

ATTENTION ENTREPRENEURS

The Advancement Foundation in partnership with the economic development offices of Alleghany Highlands, Botetourt and Roanoke Counties is **seeking entrepreneurs** of all ages and experience who want to start or expand a business. We are particularly interested in entrepreneurs who will join our efforts to create a critical mass of interconnected businesses that will maximize success through outdoors/tourism within our communities.

Over the next 6 months we will meet with and select 75 businesses that will be eligible to participate in the GAUNTLET Business Development Program and Competition!

Over \$250,000 will be awarded in Virginia's **Largest Business Competition!**
ALL right here in the Alleghany Highlands, Botetourt and Roanoke Counties.

In addition, participants have access to business training, mentors, shared resources, expertise, 0% interest loan funds, incubation programs and more!

Please contact Kathleen@TheAdvancementFoundation.org or call 540-283-7062 to set up an appointment!
