Turn in off of Sweeten Creek Road at the main entrance to CarePartners campus, drive straight up the hill (do not turn right to main campus).

At the top of this hill, the first building on your right is MountainCare, a beige building.

Make a sharp right-hand turn and then drive around to the R side of this building. Follow the large yellow signs for "Adult Day Dropoff"

The accessible parking is on the R side of this building and will be on your Left as you make that last turn. Please park on the R side of entrance door.

There are 4 level wheelchair accessible parking spaces. The automated entrance door is on this side of the building. Please wear a mask to enter the building.

Once inside the building, on your left in the hallway is a sign in table. Please use the hand sanitizer. Everyone entering the building must sign in on the form by circling your answer to the questions, print your first initial & last name, and sign your name.

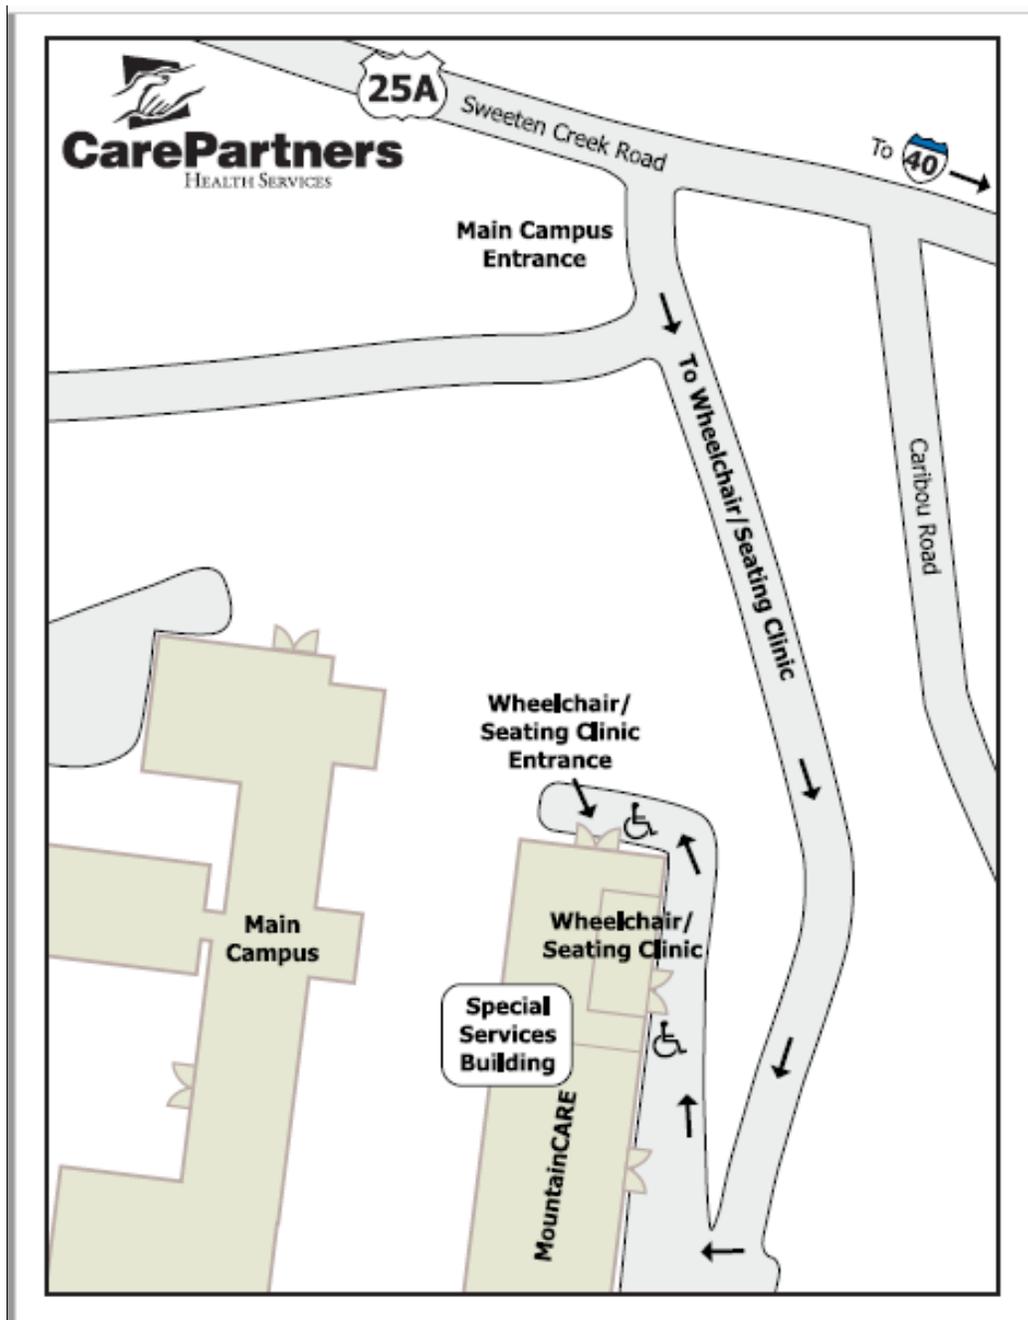

Then ring the doorbell for Seating Clinic!

The SWM Waiting Room is the second door on your right upon entering the building, (so the room just past the check in table). If another client is being seen when you arrive, please wait there. Restrooms are further down the hall (take a R and then L) past the evaluation room and restrooms are on your L.

Thank you and I look forward to seeing you!
