Introduction to International Real Estate

Part of the Florida Realtors® Virtual Campus Series Live Webinar

2 Hours CE Credit!

Date: Thursday, July 9, 2020

Time: 1:00 – 3:00 PM

Place: Your Remote Location

Cost: \$10.00 (non-refundable)

Instructor: Pat Tan

Course Description: International Buyers purchased \$22.9 billion of Florida's existing detached single-family, townhomes, and condominiums between 2017 and 2018. What portion of those transactions did you participate in?

Course Objectives: Is International Real Estate for you? What impact do international buyers have on local real estate markets, learn the elements of an international transaction, what regulations impact foreign buyers, calculate currency in the international transaction and identify the international market in Florida.

Please note this is an invitation to participate from your remote location. Florida Realtors will be sending you the information to actually register for this webinar as we get closer to the date. It is very important that you do this additional step.

If you have any questions, please call Diana at the Board – 727-848-8507.
