

# FIRE FELLOWSHIP

Wednesdays, January 19 - March 23, 6:30p

## What is it?:

- A chance to fellowship in a new way making use of our spacious campus!
- A chance to play games, have great discussions, sing songs...and EAT S'MORES!!

Covid has changed a lot of ministry rhythms - and it's given the unique opportunity to try new things. We're blessed with an 8-acre campus with lots of open grass, and putting it to use creatively over these past two years has been something leadership and the church family have embraced.

This will be an intergenerational time that we get to spend together with one another. Come out, dress warm, bring a camping chair, and enjoy spending time with your church family in a new way!

*"Oh do you have time to linger for just a little while out of your busy and very important day? ...just to be alive on this fresh day?...I beg of you, do not walk by without pausing to attend this rather ridiculous performance.....it could mean something.....it could mean everything." -Mary Oliver*

## Activities by date:

### January

19th: Nice and simple - opening devotion, some conversations about where we're at in life, S'MORES!, and a closing song or two.

26th: Meet Marguerite! Come on out and get to know our Interim Pastor in a casual atmosphere around the campfire.

### February

2nd: Sing-along! It's been a few years since we have been able to sing hymns and praise songs together indoors, so let's do it outdoors! Anyone with an instrument is invited. Songbooks will be provided.

9th: Egg boiling contest - you can put a fresh egg in a cup of water in a fire and the cup won't burn. Don't believe me? Come find out! We'll split into teams, first team to win gets to give \$100 to their choice from the PCUSA Giving Catalog.

16th: Jeopardy! We're gonna roll a TV out into the grass, form teams, and test our knowledge. Some of it will be Bible trivia...some will be WFPC trivia...and some will be curveballs!

23rd: Ask The Pastor: Come out and ask your pastor(s) any question you'd like. Want to ask about something in the Bible? Something theological? Something serious? Something silly? About the time Pastor John accidentally ripped out the exhaust system of his Honda when he was 16 by acting like a teenager?...Then come on out.

### March

9th:TBD: Stay tuned on this one...☺

16th: Once Upon A Time: We'll create a story together. One person shares the first sentence of a make-believe story. The story progresses as each person adds a few more lines leaving the final word blank for the next person to pick it up and go with it. Children are especially good at keeping this wacky and creative!

23rd: INTERGENERATIONAL KICKBALL!: Dress in warm workout clothes as we play kickball together! Let's see who can kick the furthest...
