*Experience the colorful magic of Fall in the Young Rembrandts classroom. Back to school is in full swing as we present a bountiful selection of drawings that introduces our students to a fascinating world of color, pattern, and design. We say farewell to summer in our detailed still life drawing of a beach. Our students will learn cultural themes as they draw and color Kawaii inspired art. Does your child have a great sense of humor? If so, your child will LOVE Young Rembrandts Cartooning. Our students will jump head first into the world of cartooning by first learning expressions. Students will learn to personify inanimate objects, tell a joke through pictures and learn to add motion and attitude all session long. Give your child the gift of learning and artistry. **Don't miss out, enroll Now!***
