

**KIDS HAVE QUESTIONS.  
YOU HAVE ANSWERS.  
BECOME A VOLUNTEER!**

Join Agriculture in the Classroom-SK for Canadian Agriculture Literacy Month and connect with students eager to learn how their food is grown.

We're looking for people from all corners of Saskatchewan's ag community—farmers, ranchers, vets, agronomists, researchers, equipment specialists, innovators, and more.

### What's involved?

- ✓ A 1-hour in-person or virtual classroom visit during March
- ✓ A volunteer t-shirt, support, and presentation are provided
- ✓ Share your story, bring pictures or props related to your job
- ✓ Answer questions, inspire curiosity, and build food confidence

**Share your passion. Inspire young minds.**

**Sign up today and help students discover Saskatchewan agriculture.**
