

Meet the

AITC-SK Team

How long have you been with AITC-SK?

"Off and on for 16 years full time for the past 4 years."

Favourite food?

"A good noodle bowl. Yep, I can eat one every day for the rest of my life but also known to crave sweets. It's not good for me but it's my weakness."

What's your biggest accomplishment?

"Of all the things I'll ever do in my lifetime Mothering my 4 boys will always be my greatest accomplishment. A mother who got promoted to grandma. World best feeling."

What's your favourite thing you have done this summer?

"I went to a Ukrainian gathering where there was a lot of dancing and amazing food. I probably ate way too much and feel in love with a dish called Beetnik. I highly recommend it. A weekend where I went as a friend and left feeling like apart of the family."

What's your favourite thing about your job?

"Knowing I completed tasks, the social interactions with colleagues, board members, teacher and much more. And just the feeling of being apart of something so meaningful."
