

We Want to Hear from You!

We're hosting a conversation with Hispanic/Latino/Latinx people **who have a family member with a mental health condition.**

We want to learn more about your experiences caring for your loved one, the supports you've received and the challenges you've encountered.

This information will be used to help us create resources and trainings to educate the mental health workforce.

The conversations will be conducted in English, Spanish, and Portuguese over videoconference.
