

2019 BRONXVILLE MIDDLE SCHOOL

Final Exam and End-of-Year Schedule

GRADE SIX

6th Grade End of Year Schedule

Sixth graders DO NOT sit for final exams. Instead, they participate in various engineering challenges and discover what it will take to colonize the moon. In groups, students will participate in a variety of experiences and perform experiments that will allow them to create a model of a lunar colony.

There is a special schedule starting June 17th, *please note the earlier dismissal days* and trip to the Challenger Center, which are based on each given science class period.

From Monday, June 17th through Thursday, June 20th, students will not be allowed to go uptown for lunch. Students will have to bring their lunch or buy in the cafeteria.
