## ANNUAL

## COMMUNITY AWARDS

Our community is filled with individuals and organizations who go above and beyond the call of duty every day to make our home in the valley a better place to live. The Chamber of Commerce would like to highlight these groups and individuals and the amazing work they do, but we need your help!

Please take a moment to let us know about; the teacher who took time after class to help your child when they were struggling, the non-profit that was there to help give you what you needed when you didn't see any path forward, the nurse that held your hand and encouraged you to keep fighting when you were ready to give up, the business that donated money to make sure your favorite community event could continue happening this year, the entrepreneur who took a chance and opened that new store that has everything you love to buy, the fireman who volunteers to make sure you and your family will be safe in an emergency. With your help, we can recognize these people and groups who help to make our community a brighter place to live.
