WASHINGTON, DC · DURING CBCF ALC WEEK

ABOUT THE EVENT

The Ohio Leadership Party returns for its third year as a vibrant celebration of Black political leadership, culture, and community power.

This year's event continues in a brunch-style format to honor the legacy of the late Congressman Louis Stokes, who famously brought people together during CBCF ALC through his legendary brunches. In that same spirit, this gathering blends policy, joy, and cultural excellence to recognize those who lead and those yet to rise.

Hosted by the Ohio Legislative Black Caucus Foundation (OLBCF) and in partnership with Vestige Strategies and Taft, we invite you to join us in 2026.

2025 featured a special performance by Grammy Award-winning hip-hop legends Bone Thugs-N-Harmony.
